Finish Work in Year.

Joseph Lantry, at the head of the seconstruction company which now holds contracts for the construction of more than \$1,000,000 worth of roads in Tulsa county, stated to the commissioners Tuesday that his believed the contracts could be completed within one year after the signing of the various contracts, and that his company would endeavor to follow the advice of the commissioners as to the roads to be first constructed. It was agreed that the

ington, for the purpose of obtaining the government approval or the last week on the charge of obtainment appropriations. The commissioners were told by J. D. Fountell-roy, engineer of the federal high-way service, that for every mile approved by the government, the country will receive \$10,000, which if car-

## Gathering Momentum Each Day

# Our "Third Anniversary" Sa

J. Making Merchandising History for Gulse, Our Petrons and for Us

Tuesday was proof positive that one simply cannot visit all departments in this store, examine the large varieties of goods and make all selections in one day. It simply cannot be done. Many women who spent much of Monday taking advantage of the splendid moneysaving offerings-an economy event breaking all records-were back again yesterday, eagerly and rapidly selecting whatever pleased them most at decidedly reduced pirces.

Ratter to West 8.

From every indication today promises to be a different intense activity throughout all departments. D ... our months of preparation for this Anniversary almost every line is practically unbroken, despit heavy selling. In some cases stocks are being mented by the arrival of delayed shipments. And day various new offerings are being featured at p reduced to make this sale long to be remembered
